Targus

TSS11201CA | Targus 10.2” Crave™ Netbook Case

The Targus 10.2" Crave Netbook Case is designed to protect netbooks with up to 10.2" widescreens. For ultimate durability, the exterior is constructed of water-resistant, stain-coated nylon material to protect valuables during wet weather. The microfiber netbook compartment is soft and scratch-resistant while the front pocket provides easy-access to small accessory items. For added comfort, the strap can be easily removed or adjusted as needed. Inspired by outdoor apparel, the Crave Netbook case features a sporty design constructed of durable, long lasting components to make this a dependable option for school or travel.
